

# How to Heal the Sick

With Pastor Les Holmes

God has used Pastor Holmes for more than twenty years to heal the sick. He has seen hundreds of thousands of people come to faith & tens of thousands healed—on a regular basis the deaf would hear, the blind would see and lepers would be cleansed and limbs would grow back.

Pastor Les Holmes encourages everyone that healings are all about Jesus and that God wants to use everyone.

*If you are hungry to learn about the kind of ministry which Jesus entrusted us (Luke 9:2 "...he sent them out to preach the kingdom of God and to heal the sick ..."), then please come on two consecutive Sundays for a time of learning and doing.*
